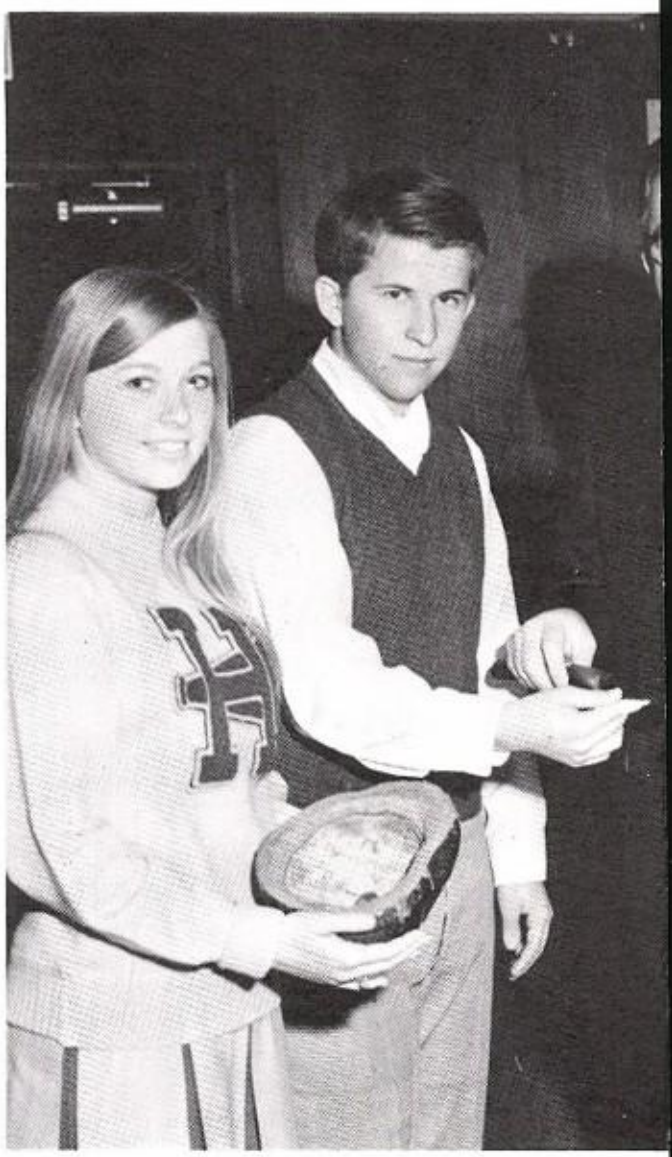
Dr. Bob Wells, Rev. Clifford Clark, and Dr. J. Arthur Mouw



Rev. and Mrs. L.D. Wo

This time of spiritual emphasis and devotion to the Christian life was really an inspirational event to the atmosphere of Heritage High. It was a thrill to listen to these men of God tell of their experience on the mission fields in the service of the Lord.

Administration

Founder & Director

Determination . . . drive . . . ingenuity . . . concern for others . . . passion for souls . . . love for young people – these are but a few of the characteristics of our founder and director, Dr. Bob Wells. His life is a constant source of blessing and encouragement to those who know him. Certainly the life of this great man of God, completely surrendered to His will, is a challenge to all who have witnessed his ministry.

Educational Co-Ordinator

That powerful, generating force behind nearly every activity and project at our schools is Mr. Paul Liefeld. Whether planning fund-raising, developing pictures, speaking in chapel, or cheering at a game, he consistently exemplifies a love for our schools and a total dedication to this all-important job to which God has called him.

Don Wescott– Heritage High Principal

Mr. Wescott in his first year has established himself as a principal who really cares about the students at Heritage High. The students really appreciate his genuine concern for their spiritual life.

Administration

With his excellent efforts and willingness to help the students of Heritage, Mr. Temple is there. He encourages, guides, and understands each student.

Wayne Temple– Dean of Students

Frank Martens– Elementary Principal

A devoted Christian administrator is our elementary principal, Mr. Martens. He has a rare talent for getting along with the elementary students and understanding them and their problems.

Last Minute Preparations for the annual homecoming activities dominated the scene once again this year as the football season opened with many victories. During after school hours the pep club and cheerleaders spent much time in decorating and preparing the fellowship hall for the gala activities. The homecoming court left school early to prepare for the event and came back that evening looking more beautiful than ever. The reception that evening was the climax to a fun-filled day of excitement.

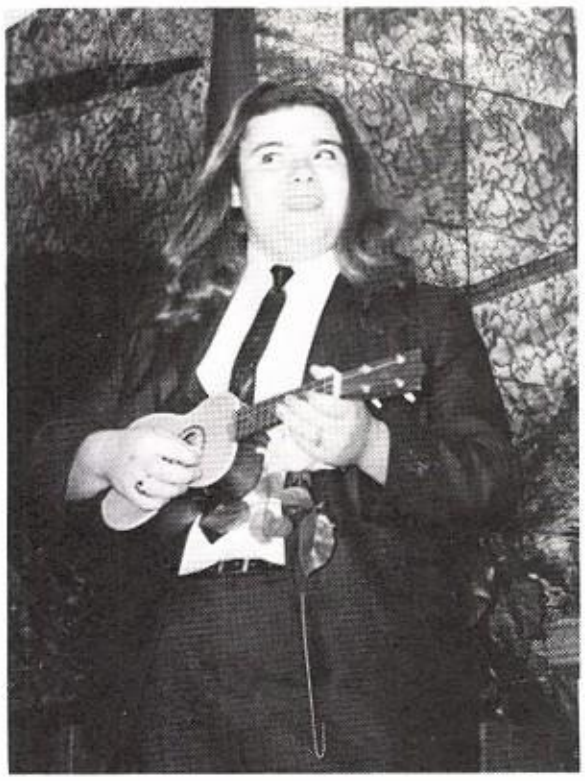
Mr. and Miss Heritage

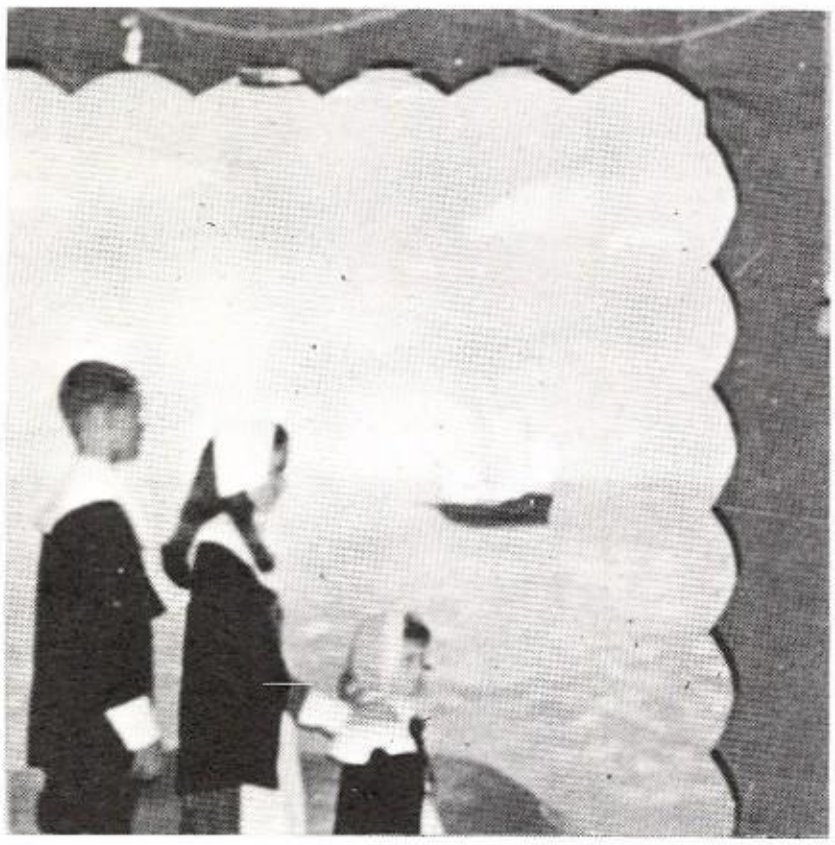
Mr. and Miss Heritage are chosen as the two seniors which best exemplify Heritage and its standards. Chosen by the faculty, they are seniors who demonstrate the best spirit, scholastic competence, and participation in extra-curricular activities. These are leaders in the school of whom we are justly proud.



Senior High Banquet

"Little?" Loren, Snow White, and ridiculous commercials were some of the entertaining satires put on by the Student Council for this year's Senior High Banquet.This occasion was had as a celebration for the undefeated Patriots. Also, Mr. and Miss Heritage were presented to the student body at this time.

Patriotic Program



The word "patriotism" plays an important part in the lives of students at Heritage. They are taught to be good citizens and Americans. Expressing these feelings, the students present a program which displays Americanism all the way. This program received a commendation from Anaheim City Council.

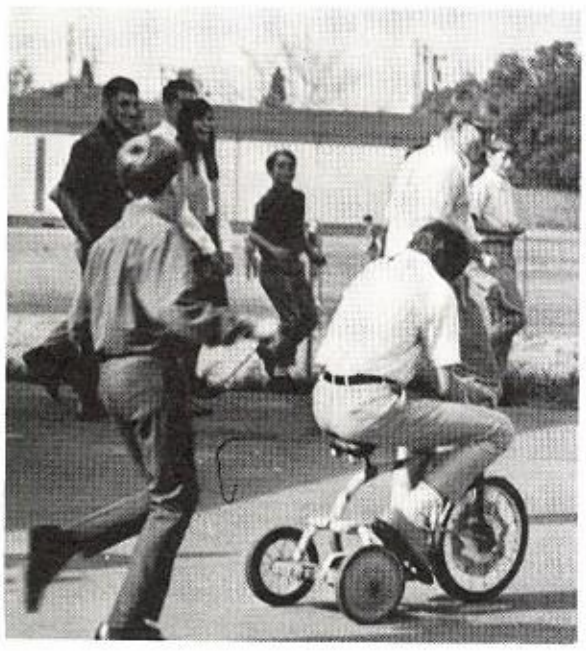
Spirit Week



Getting ready for the line-up

Look away, look away...

Almost to the finish line

Tricycle races, pie eating contests, and silent girls are some of the unusual things you may see during this week of nothing but spirit. This tradition is carried out each year by the graduation class. Spirit Week was held the week before the league championship game to gather up their spirit for the big event. Through the course of events during the week, a King and Queen Ugly are chosen to reign over the festivities, a hush day creeps in when the boys enjoy a day of silence while girls rest their voices, and many other spirit-filled activities. To round up the week, a Sadie Hawkins party was given as a celebration over the great victory. At this occasion, the boys headed for the hills while the girls chased them seeking a partner.

Off to the races?

Everyone gazes at our hillbillies.

Everyone cheers Carl on, and on, and on!!!

Who's Who At Heritage

Who is who at Heritage? This year the Senior Class started a new tradition. They decided to choose members of their class who best exemplify the outstanding characteristics worthy of recognition.

The football season was the highlight of the school year. The Patriots accomplished what no other Heritage varsity team had ever done-winning the Academy League Championship. From there they moved on to C.I.F. and, losing only in the final game, finished as C.I.F. runners-up.

Coach Gardea and the players on the team are very proud of their accomplishments; however, they are even prouder to know that perhaps they helped to promote the cause of Christ through athletics.

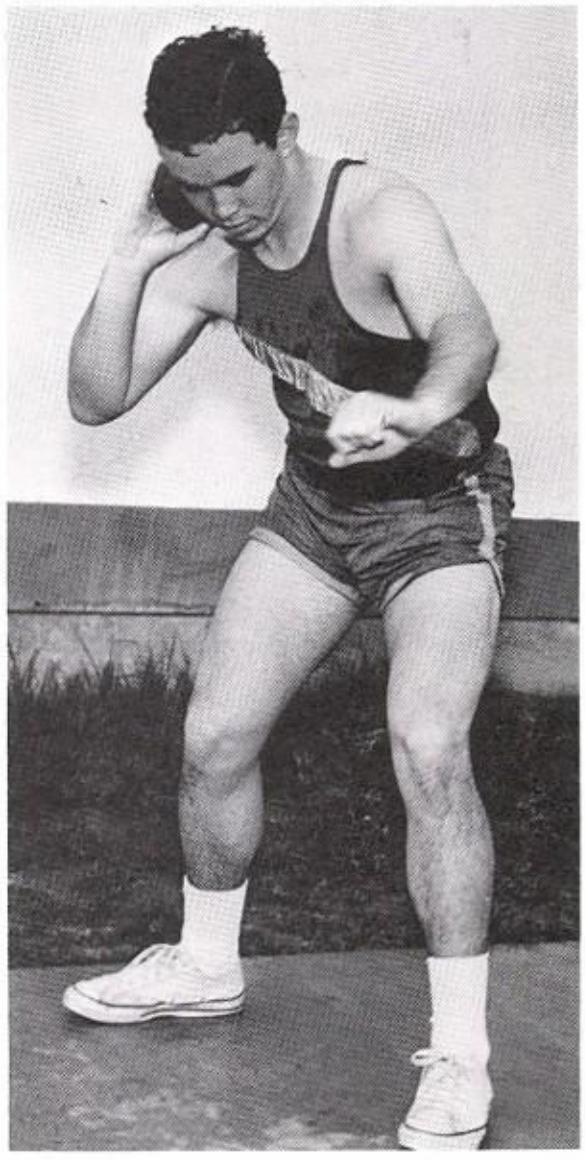
Track Team

Track is a sport that combines individual skill and initiative with team effort. We are proud of the team and their efforts. They placed in many events.



To encourage and maintain school spirit is not an easy task, but it is the responsibility of every cheerleader. They must prepare pep assemblies, make signs, arouse enthusiasm, and stimulate interest. In fulfilling these tasks this year's cheerleaders have been exceptional. They have been original and energetic, and are to be complimented on these fine qualities.

Inspired by the fresh ideas of their new Coach, Mr. Duff, the Junior Varsity team did a fine job. For the coach it was a season of planning and perfecting. For the players it was a season of aches and pains, seemingly endless practice and a few brief periods of glory which made it all worthwhile.

Student Council

Student Council in action is the voice, the planner, and the organizer for the Associated Student Body. It is a unified body through which students can make themselves heard and felt. They organized several successful activities. They included the Annual Pancake Breakfast, the Senior Banquet, and creating a float to enter in the "Old Glory" parade at Laguna Beach on February 22.

President, second quarter–Greg Jensvold

On February 22, Moments With Old Glory, the Heritage High float, was entered in the parade at Lugana Beach. This colorful display portraying sections of American history won the Grand Marshall's trophy. Although sponsored by the Student Council, the entire student body was involved with the making of the float. Approximately 80,000 sheets of paper, 40 lbs. of chicken wire, and 4,000 man hours were put into this creation. Over 10,000 flowers finished the float. Betsy Ross, General Robert E. Lee, General Ulysses S. Grant, and 5 Marines were portrayed in authentic costumes worn by students.

Document '69

The 1968-69 DOCUMENT staff, after many working hours, is finally able to say, "Here it is!" At all hours of the day came the variations of laughter, whispering and the silence of hard work. As they put the finishing touches on each page, all over the room sighs of relief were heard. At the beginning of the year the editor put the yearbook in the hands of the Lord and relied on Him to see them through. We all join in thanking the Lord for helping us finish the job.

Pep Club

As the season opened for football, the Pep Club began as an asset to the entire school. One of their projects for the year was to purchase the helmets for the football team. They raised the money by selling items at the games. Through all sport seasons, Pep Club led the school with great spirit and enthusiasm.

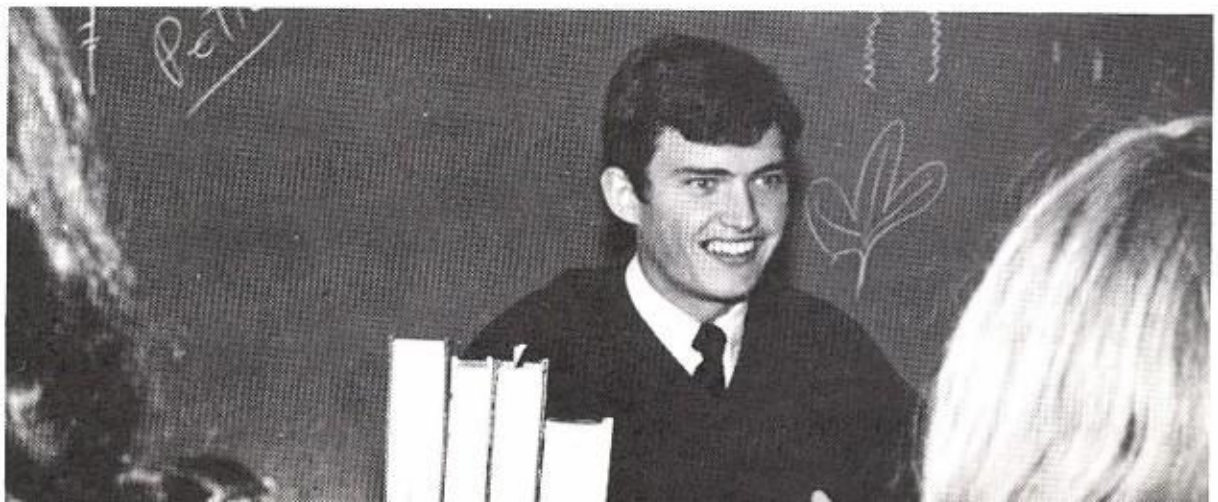
Heritage Junior High School received a new set of faces this year when graduated Central sixth graders advanced and new students enrolled. The High School students dodge them as they scamper around in the halls going to different class rooms.



What Can Happen Next

I wish I had some money . . .

The Junior High Football team had a pretty good season this year. Under the leadership of Mr. Worth they ended the season with a 2-3 record. The team had a little difficulty with eligibility, but they still came through.

Junior High Basketball

Coach– Mr. Bob Worth

Our Junior High basketball team began this year with new hope and prospects. The exhilaration of that first victory, tenseness of the last seconds of a close game is what most of the people remember. Co-ordination of the team, unity, and the many hours of hard practice sums up the basketball season of 1969.

Financial security for the family depends on how well these five basic needs are provided for. Will your life insurance and other resources

1 meet the heavy expenses that will occur at your death

2 cancel all family debts including mortgage on your home and estate taxes

3 furnish a living income for the family while children are dependent and so enable your wife to take full advantage of Social Security

4 provide enough money to carry out your plans for their higher education

5 give your wife a worry free source of funds after the children are on their own and Social Security temporarily ceases.

MANUFACTURERS LIFE

If you are in doubt on any of these points, call the Man From Manufacturers. He has a practical measuring device, the Security Graph, that will help you determine whether there are any gaps in your family's financial security.

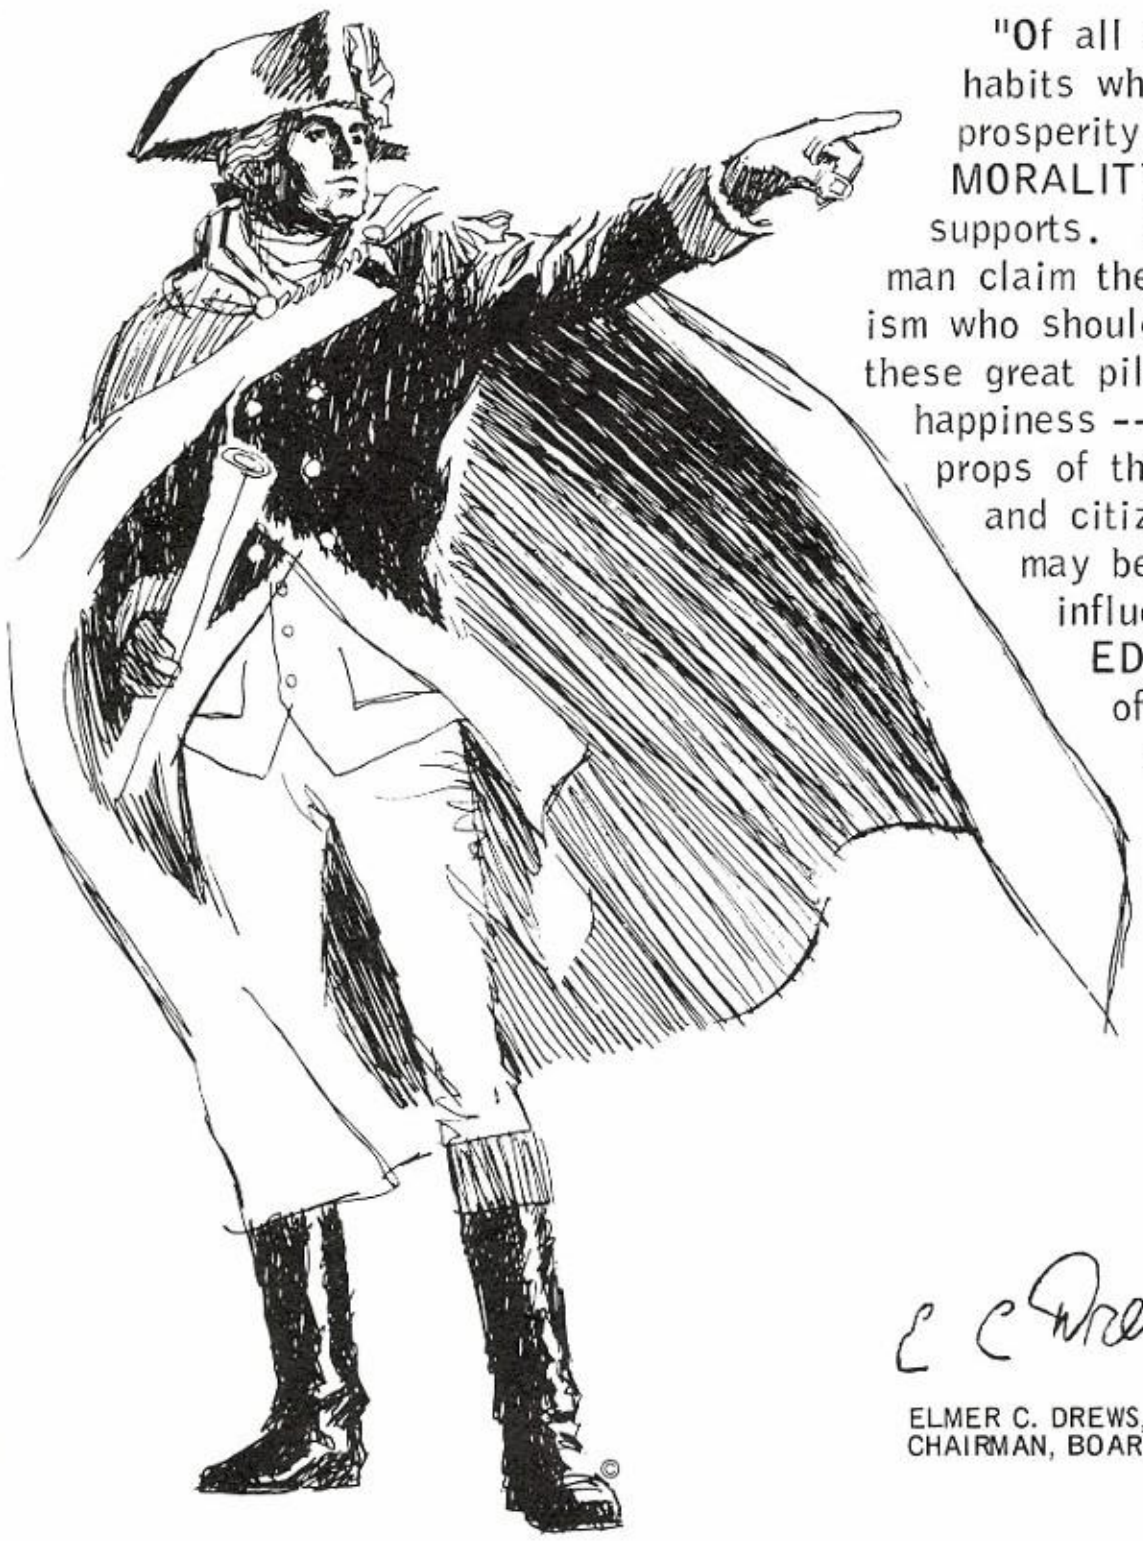
Washington's Words Live At Heritage !



"Of all the dispositions and habits which lead to political prosperity, RELIGION and MORALITY are indispensable supports. In vain would that man claim the tribute of patriotism who should labor to subvert these great pillars of human happiness -- these firmest props of the duties of men and citizens. ... Whatever may be conceded to the influence of refined EDUCATION on minds of peculiar structure, reason and experience both forbid us to expect that national MORALITY can prevail in exclusion of RELIGIOUS PRINCIPLE !"

The Sound Philosopher Who Influenced Our Founding Fathers !

"SOME THOUGHTS CONCERNING EDUCATION – 1690"

"A SOUND MIND IN A SOUND BODY, is a short, but full description of a happy state in this world: He that has these Two, has little more to wish for; and he that wants either of them, will be but little the better for any thing else. ...

'As the Strength of the Body lies chiefly in being able to endure hardships, so also does that of the Mind. ...

"I wish, that those, who complain of the great decay of Christian Piety and Virtue every where, and of Learning and acquired improvements in the Gentry of this generation, would consider how to retrieve them in the next. This I am sure, that if the Foundation of it be not laid in the EDUCATION AND PRINCIPLING OF THE YOUTH, all other endeavours will be in vain. And if the Innocence, Sobriety, and Industry, of those who are coming up, be not taken care of and preserved, 'twill be ridiculous to expect, that those who are to succeed next on the Stage, should abound in that Virtue, Ability, and Learning. ...

"Tis Virtue then, direct Virtue, which is the hard and valuable part to be aimed at in Education ... the labour, and the Art of Education should furnish the Mind with (virtue), and fasten there, and never cease till the young Man had a true relish of it, and placed his Strength, his Glory and his Pleasure in it. ...

..."That which every Gentleman (that takes any Care of his Education) desires for his Son, besides the Estate he leaves him, is contained (I suppose) in these Four Things, VIRTUE, WISDOM, BREEDING, AND LEARNING. ...

"AS THE FOUNDATION OF THIS, THERE OUGHT VERY EARLY TO BE IMPRINTED ON HIS MIND A TRUE NOTION OF GOD...."

Congratulations Class Of 1969 !

Everyone wants to be successful in life. Here is a million-dollar-assured-formula for a successful life. It's yours for the asking. Do you have enough courage to make it work?

Read Joshua 1:8-9 in the King James and the Amplified Bible.

May the Lord richly bless and use this year's graduating class as He has used our great Pastor and our Church and school leaders, and may more of God's people catch the vision of Christian education, and lend their support to this great work.
